- Normally, the VA will process your application within 4-6 weeks. You will receive a Certificate of Eligibility (CoE) in the mail. Processing times are longest in August.
 - You may call VA at 1-888-442-4551 to check the status of an application. They open at 0730 CST, call early for shortest wait time.

Step 2: Register for Classes

- Register for classes as soon as your school's registration period opens.
- Visit your School Certifying Official (SCO) to certify your enrollment. This is a school employee who typically works in the financial aid, admissions, or Veterans office. Schools typically have an online or paper form to complete each semester to request certification.
 - CH1606 GI Bill users: A Notice of Basic Eligibility (NOBE) may typically be found in your iPERMS record, your school may request a copy. If it is needed and not available, please contact the KYARNG Education Office.
 - Post 9/11 GI Bill users: If a tuition payment is due before you receive your CoE from the VA, your SCO may be able to place your account balance on hold to wait for payment from VA. Check with your school's Finance Office for their policies.
- When you receive your Certificate of Eligibility (CoE) from the VA, provide a copy to your School Certifying Official.
- Don't forget to apply for State TA and/or Federal TA on their respective websites to assist with your tuition costs.

Step 3: Verify Attendance

- You must verify your continued enrollment following each month you are in school, otherwise your monthly deposit may be held by the VA.
- You may verify your monthly enrollment in one of three ways:
 - Text messaging – After applying, the VA will text you offering this service
 - Calling VA at 1-877-823-2378
 - Lot into Web Automated Verification of Enrollment (WAVE) www.gibill.va.gov/wave

Step 4: Next Semester

- Do not resubmit your application for GI Bill on www.va.gov unless you are making a change. Reapply if you are changing GI Bill programs or file Form 22-1995 to change schools.
- As soon as registration for the next term opens, register for classes early and request your School Certifying Official (SCO) certify your enrollment to VA.
